Revision of Red LED Colored Lfv3-CP & LND2

1. Overview

We are announcing updates to the red LED models in our Lfv3-CP and LND2 series due to the discontinuation of our current red LEDs. The affected part numbers are detailed in the Appendix. We strongly recommend transitioning to the new models, which will become available on **December 18, 2023**.

2. Pricing for revised products:

The price list will be sent individually by each sales representative.

3. Date of order acceptance of the revised products:

December 18, 2023

For any further inquiries, please feel free to contact us.

Thank you.
